

3-STALL RESTROOM WITH ADA

UNIT DIMENSIONS
L: 24' W: 14' H: 10'6"

THE GOT TO GO THREE-STALL WITH ADA UNIT is perfect for accommodating larger groups

The Three-Stall Restroom with ADA incorporates the advantage of having the comfort of home in a restroom while also providing access to handicapped persons.

Our ADA Units are ADA approved for handicap accessibility and have a waste holding capacity of 450 gallons and the fresh water tank is 125 gallons in size. This unit has one handicapped accessible stall and two regular stalls (one male and one female). The ADA unit is utilizes three 110 volt outlets and the water supply hooks into a normal water spigot. The unit can operate using a generator and the fresh water tank can be filled when a water source is not available.
