

3-STALL RESTROOM

UNIT DIMENSIONS

L: 20' W: 12' H: 10'6"

THE GOT TO GO THREE-STALL UNIT is one of the most popular choices for weddings and private functions. It's compact size makes it easy to maneuver into tight spaces. This unit may be combined with additional Luxury Restrooms for larger events such as festivals and fundraisers. The Three-Stall Unit is also ideal for serving those in need during emergency situations, disaster relief efforts, or in any location where power and water sources are not readily available.

The Got To Go Three-Stall Unit includes one male restroom furnished with a sink, toilet, and urinal and two female restrooms furnished with a sink and toilet.

The Three-Stall Unit is completely self-contained and is operable using a 110 volt outlet or generator for the lights and heat or air conditioner. Water is supplied by a spigot and garden hose or a 125 gallon on-board fresh water holding tank. The unit houses a 450 gallon waste holding tank.

Rental options include daily, weekly, and long-term rentals, generators, additional fresh water holding tanks, and restroom attendant.
